School Mission

- 1.By fostering a positive, intuitive, mind-opening, and efficient learning environment, we strive to provide students with well rounded and balanced educational opportunities. The focus is on the aspects of moral, intellectual, physical, social, and fine arts education. We strive to help our students achieve top quality conduct; build positive values and optimistic attitudes for life.
- 2.We strive to provide a diversified range of extra-curricular activities and encourage students to participate actively to sustain a full development of personal potentials.

School Characteristics

School Management
School Management Organisation: Our school was established in 1959. It is a government primary school under the direct supervision of the Education Bureau. At school, various executive teams are set up. They are School Management and Organization Team, Learning and Teaching Team, School Spirit and Student Support Team and Student Performance Team.
Incorporated Management Committee / School Management Committee / Management Committee: The School Management Committee has been set up since 1999. It consists of an officer appointed by the Education Bureau, School Headmistress, two teacher representatives, two parent representatives, an alumni representative and a community member. School Policies were thoroughly discussed and endorsed in the meetings to ensure quality education for all the students.
School Green Policy: Set up a Green School and encourage green and healthy living.
School's Major Concerns: 1. Utilizing diverse teaching, assessment and learning support strategies to reinforce foundational learning, promote learning effectiveness and enhance subject competence. 2. Cultivate students' positive emotions, enhance their ability to manage emotions and continuously cultivate their sense of national identity.
Learning and Teaching Plan
Learning & Teaching Strategies: We implement co-operative learning, brain-based learning and holistic innovative learning approaches in daily teaching. We also offer student-centred learning, training of generic skills and language skills. We cater for learner diversity and create a sharing and interactive learning atmosphere through learning activities like group discussions, presentation and project making, etc. We utilise higher order thinking questioning to enhance the training of thinking skills, problem solving skills and creativity.
Development of Major Renewed Emphases of the Primary Education Curriculum: Make good use of STEM Land to promote school-based STEAM education, to nurture students' innovation thinking. Strengthen students' understanding of Chinese culture and develop a stronger sense of national identity.
Development of Generic Skills: Enhance students' generic skills training by use of diversified teaching strategies, life-wide learning activities and project-based learning.
Cultivation of Proper Values, Attitudes and Behaviours: Through implementing Moral Education lessons, various learning programmes and activities like "Good People Good Deeds" Programme, Thanksgiving Activities etc., positive thinking and proper value systems can be fostered. Students are helped to develop positive life values and proper ways of handling matters in life.
Student Support
Whole School Approach to Catering for Learner Diversity: Gifted education and enrichment programmes, small class teaching and after-school remedial classes, school-based speech therapy service for SEN students, pre-primary 1 adaptation course and pre-secondary adaptation course, 'Dual-class Teacher System' for some classes.
Whole School Approach to Integrated Education: All teachers and staff work together to build a caring and harmonious learning environment for our students.
Education Support for Non-Chinese Speaking (NCS) Students: Our school provides additional support for NCS students to facilitate their learning of Chinese: appointing additional teacher(s)/teaching assistant(s) to support NCS students' learning of Chinese; and organising activities to create an inclusive learning environment in the school.
Curriculum Tailoring and Adaptation: 1. Students are streamed according to their abilities and academic performance. 2. Curriculum adaptation and after school courses for different ability groups.
Home-School Co-operation and School Ethos
Home-School Co-operation: The Parent-Teacher Association helps to organize Parent Voluntary Work Groups, talks and workshops, parent-child reading camp, parent interest groups and parent-child activities, etc.
School Ethos: Through moral & civic education and school-based guidance programmes to nurture students' positive values on courtesy, responsibility, gratitude, love and care so as to build a positive, harmonious school culture and atmosphere.
Future Development
School Development Plan: 1. Utilizing diverse teaching, assessment and learning support strategies to reinforce foundational learning, promote learning effectiveness and enhance subject competence. 2. Cultivate students' positive emotions, enhance their ability to manage emotions and continuously cultivate their sense of national identity.
Teacher Professional Training & Development: Through Brain-Based Teaching Strategies Training Course to enhance teachers' professional knowledge and teaching skills. Staff development programmes on e-learning and STEAM education have been conducted to build up a positive and efficient teaching team and culture.
Others
Our students have won numerous awards in different subjects, athletic and artistic scholarships. A number of our students are awarded as Outstanding Students.
