School Mission

To facilitate holistic education and development of children with Christian values and attitudes.

School Characteristics

School Management

School Management Organisation:

The principal works as the leader of the management team; The members in the management team lead the functional groups which were formed according to the four key dimension areas in the School Performance Indicators.

Incorporated Management Committee / School Management Committee / Management Committee:

The members of The Incorporated Management Committee include the representatives of the school sponsoring body and experienced principals, members outside the School, parents, past students, teachers.

School Green Policy:

To increase pupils' awareness of environmental protection by promotion and implementation of related activities.

School's Major Concerns:

1. To enhance learning and teaching effectiveness through diverse learning.
2. To further develop the core values of Catholic education and nurture positive values.

Learning and Teaching Plan

Learning & Teaching Strategies:

1. Implement SCOLAR programme "Using PTH to teach Chinese Language Subject" in P.2 to P.6;
2. implement "Develop students' self-learning ability in Chinese, Programme" in P.1 to P.4;
3. implement "Tiered Intervention Model Programme" in Chinese Language Subject in P.1 to P.6;
4. implement KEYS 2 programme in English Language Subject in P.4 to P.6;
5. implement "Drama in Education Programme" in P.4;
6. implement Space Town programme in English Language Subject in P.1 to P.3;
7. implement split class in English Language Subject in P.5 & P.6;
8. to enhance students' communication skills and use information technology skills through cross-curricular learning activities and STEAM education.

Development of Major Renewed Emphases of the Primary Education Curriculum:

Values Education: Promote learning activities on the Constitution, the Basic Law, the Hong Kong National Security Law and inside outside the classroom to cultivate students' positive values and attitudes;

Effective use of learning time: Adjust the class timetable and learning schedule;

Life-wide learning: Enrich students' diverse learning experiences and promoting balanced development;

Catering for learner diversity: implement afternoon streaming classes and co-curricular activities for diverse learning needs;

STEAM Education: Enhance interactive learning and cultivate students' information literacy through online platforms and STEM courses;

Cross-curricular reading: Enhance students' reading interest, motivation and cultivate students' reading habits through online reading platforms and events such as World Reading Day.

Development of Generic Skills:

Organize collaborative learning activities, General Studies project learning & School technology Day to cultivate students' generic skills.

Cultivation of Proper Values, Attitudes and Behaviours:

In accordance with the theme of the school, the "School-based Counseling Activity" and "St. Patrick's Good Child" reward programs are organized every year to cultivate student moral character and positive values.

Student Support

Whole School Approach to Catering for Learner Diversity:

1. "Reading and Writing Group";
2. "Reading fluency training on Chinese high-frequency words Programme";
3. "Daily reading and writing training plan";
4. "Play and Learn Programme for Dyslexia";
5. Concentration Skills Training; Emotional Behavior Management Training Group;
6. Social Communication Skills Training; Occupational Therapy Training;
7. Individual Education Plan (IEP); School-based Speech Therapy Service;
8. School counselor and Outsourcing school social work services.

Whole School Approach to Integrated Education:

1. Members of the Student Support Team include the principal, vice-principal, special educational needs coordinator, special educational needs support teacher, school-based educational psychologist, school-based speech therapist and student guidance officer, Learning Support Assistant, etc.
2. The school makes good use of resources and sets up different groups, such as concentration groups, literacy groups, and social communication skills training groups, to support students in need.

Education Support for Non-Chinese Speaking (NCS) Students:

Our school provides additional support for NCS students to facilitate their learning of Chinese: providing after-school support programmes in learning Chinese; appointing additional teacher(s)/teaching assistant(s) to support NCS students' learning of Chinese; arranging intensive Chinese learning and teaching mode(s), e.g. pull-out learning if necessary, split-class/group learning, etc; organising activities to create an inclusive learning environment in the school; and our school uses Putonghua to teach Chinese in all classes / groups at certain levels with extra support as appropriate, e.g. pull-out/small-group classes, learning and teaching resources with Pinyin, etc. Teaching assistants guide students to complete Chinese homework after class.

Curriculum Tailoring and Adaptation:

Providing accommodations in homework, dictation, tests and examinations to students with special learning needs; SCOLAR (EEGS) Reading to Writing Workshop (P.3 - P.6); School-based Support Services – General Studies Unit Teaching Plan Design; Chinese Read & Write Plan.

Home-School Co-operation and School Ethos

Home-School Co-operation:

"Smart Parent Volunteers" assist school activities; "Student Scholarship and Sponsorship Scheme".

School Ethos:

Whole-school culture of "Affection & Inclusion"; pure, honest ethos, mutual respect and affection between teachers and pupils.

Future Development

School Development Plan:

Make good use of e-learning tools to foster students' learning motivation;

Use different strategies to enhance students' speaking and presentation skills;

Continue to deepen students' understanding of the five core values of Catholic schools.

Teacher Professional Training & Development:

In order to improve the effectiveness of teaching and learning, we actively arrange teachers to participate in different professional training activities, try out different teaching plans, conduct regular class observation and evaluation, conduct school-based teaching seminars, and promote professional exchanges between teachers. Participate in school-based support services, inter-school learning circles and learning communities to enhance teachers' professional knowledge and capabilities.
