School Mission

To foster balanced development in moral, intelligence, physical, social and aesthetic domains.

To instill in the students the sense of caring others and fulfill their responsibilities to the society to become good citizens.

School Characteristics

School Management

School Management Organisation:

School Management Committee includes Chairman (EDB Principal Assistant Secretary), School Head, 2 teachers, 2 parents, 2 independent members.

Incorporated Management Committee / School Management Committee / Management Committee:

School Management Committee was established in 1999.

School Green Policy:

Environmental protection is our major concern. The school helps students understand the importance of personal responsibility in protecting the environment. This year we have successfully applied to the Environment and Conservation Fund and carried out a green project in our school.

Energy saving: To encourage teachers and students to use less paper and recycle paper; to teach students to save energy; establish Environmental ambassadors; use the funding to replace the old air conditioners with grade 1 energy label air conditioners.

Green campus: Use the funding to set up a rooftop garden to promote the concept of pollution-free living and for students to experience organic farming.

School's Major Concerns:

1. To boost students' generic skills through multiple learning experience.
2. To cultivate positive values by fostering values education for whole-person development.

Learning and Teaching Plan

Learning & Teaching Strategies:

1. Through systematic learning activities—such as pre-lesson preparation, digital education, and scientific inquiry—we aim to enhance students' spirit of innovation and cultivate a proactive attitude toward learning.

2. To enrich students' learning experiences and empower them to be life-wide learners, diverse learning activities are provided.

Development of Major Renewed Emphases of the Primary Education Curriculum:

We aim at fulfilling the aims of curriculum, school based needs and students' learning needs, so we further enhance the following areas:

1. Digital Education
2. STEAM Education
3. Value Education
4. Learning Across Curriculum
5. Life-wide Learning

Development of Generic Skills:

1. To empower students' capacity on biliteracy and trilingualism.
2. To enable students to master generic skills, inquiry and innovative thinking, independent and proactive learning ability and attitude.

Cultivation of Proper Values, Attitudes and Behaviours:

To cultivate students' positive value and thinking through school-based student guidance programme.

Student Support

Whole School Approach to Catering for Learner Diversity:

Accommodations on learning, remedial teaching, workshop on adaptation to social community, school-based educational psychology service, school-based speech therapy service, Individual Education Plan (IEP), support for transition from Kindergarten to Primary and Primary to Secondary, School-based After School Care Service Scheme.

Whole School Approach to Integrated Education:

1. Adopting the Whole School Approach to cater for student diversity.
2. Student Support Team (Principal, vice principal, SENCO, Curriculum development leaders, Discipline Mistress, school social workers).
3. Using Learning Support Grant and School-based Speech Therapy Service related resources.
4. Specific measures in supporting students with SEN.

Education Support for Non-Chinese Speaking (NCS) Students:

Our school provides additional support for NCS students to facilitate their learning of Chinese: providing after-school support programmes in learning Chinese; appointing additional teacher(s)/teaching assistant(s) to support NCS students' learning of Chinese; and organising activities to create an inclusive learning environment in the school.

Curriculum Tailoring and Adaptation:

Curriculum Tailoring, Support Measure for Academically Gifted / Under-privileged Students.

Home-School Co-operation and School Ethos

Home-School Co-operation:

Organize PTA activities, talks and seminars for parents; cultivate a harmonious home school relationship; enhance the sense of belonging of parents and students to the school.

School Ethos:

By fostering a culture of care and implementing initiatives such as peer reading, the 'Junior Teacher' scheme, parent-child reading, various uniformed groups, and a school-based life planning curriculum, we cultivate positive mindsets and a compassionate heart in our students.

Future Development

School Development Plan:

1. Leveraging diverse instructional strategies to foster students' exploratory and innovative thinking.
2. Deepen positive values to co-construct a healthy campus.

Teacher Professional Training & Development:

1. Engage professional school support services from universities, secondary schools, and curriculum development experts.
2. Teacher professional training programmes and activities.
3. Teacher development days.
4. Outside school courses, workshops and seminars.

Others

1. "Junior Payload Specialist" award in the 2nd Suzhou-Hong Kong Junior Astronaut Selection Competition.
2. Two students were honored with Gold Awards at the 2nd Hong Kong Primary and Secondary Schools Aerospace Drawing Competition.
3. 28th HK Inter-District Primary Schools Athletics (25-26) – Boys B Grade 4x100m Champion and 2nd Runner-up.
4. Sister School Scheme.
5. Set up Scholarship to encourage students with good performance.
