School Mission

We believe that every student is endowed with God-given potential. Our mission is to help students identify and develop their God-given abilities and talents to their fullest so that they will become a person with faith, moral character, knowledge, culture and dreams in a caring environment. We trust that through the Christian dedication and professionalism of our teachers and the involvement of parents, students will confidently experience a balanced development, formulate life direction and goals, build a positive life view, strengthen lifelong learning, lay a solid foundation for further education, acquire a sense of social responsibility, and live a life according to God's will.

School Characteristics
School Management
<p>School's Major Concerns: Major concerns of this school year:</p> <ul style="list-style-type: none"> • To develop competent and confident future-ready learners; • To nurture future-ready leaders with a value-driven mindset.
<p>School Management Organisation: The school was founded by United Christian College Limited through the unified efforts of OMS International, Free Methodist Mission and Schools For Christ Foundation. The members of the School Management Committee are enthusiastic in Christian school education. They adopt an open-minded and transparent approach in managing the school. Under their supportive leadership, a conglomeratic team culture is formed.</p>
<p>Incorporated Management Committee / School Management Committee / Management Committee: The school has been incorporated. The SMC board members are made up of five professional representatives from the sponsoring body, the principal, vice-principal and school chaplain (teacher representatives), one parent and three individual members.</p>
<p>School Green Policy: The new Dormitory and Facility Extension Block completed in 2009 is an exemplary sustainable building, which has incorporated the 4-R conservation principles: Reduce, Renew, Reuse and Recycle. Campus greenery like rooftop garden, external vertical planting walls, decorative plantings, energy saving measures like minimizing the use of lighting and air-conditioning, are all parts of the educational tools to form students' habits to live a more sustainable life style. Furthermore, the school has installed weather monitoring system and renewable energy generators to facilitate environmental protection education.</p>
Learning and Teaching Plan
<p>Whole-school Language Policy: We are an EMI school. Most of the academic subjects are taught in English. Some Chinese classes are taught in Putonghua. Besides, Japanese, French and German are offered as third language options.</p>
<p>Learning and Teaching Strategies: We emphasize Biblical teaching, training in bi-literate and trilingual proficiency and thinking skills. We provide a diversified curriculum. To develop students' active learning habits and help them build good characters, we introduce the following:</p> <ol style="list-style-type: none"> 1. Establishing learning communities; 2. Using IT to promote interactive learning; 3. Broadening the learning sky and conglomerating social resources so that students' learning becomes more authentic and diversified; 4. Developing a school-based STEAM program to equip students with related skills; 5. Developing self-regulated learning attitude to enhance learning effectiveness.
<p>School-based Curriculum:</p> <ol style="list-style-type: none"> 1. Electives: 2X and 3X. Other than the four core subjects, students can choose 2X or 3X from each subject group (each subject group contains six to seven DSE elective subjects). 2. Curriculum highlights: UCCKE has designed school-based learning materials for the following subject programs: <ol style="list-style-type: none"> i. STEAM curriculum, ii. Dormitory curriculum, iii. Mission and Service activities.
<p>Major Renewed Emphases in the School Curriculum:</p> <ol style="list-style-type: none"> 1. We have a well-equipped library, innovative library program and reading program to help students read extensively. 2. The eClass system provides an effective eLearning platform to facilitate interactive learning. 3. The dormitory curriculum is enriched to enhance students' collaborative skills. 4. Our Bible and Religious activities set a moral framework for students; activities are held to strengthen moral, national and civic education.
<p>Life Planning Education:</p> <ol style="list-style-type: none"> 1. Whole-school career and life development curriculum and program. 2. Comprehensive guidance program to support student and parents regarding senior secondary subject choice. 3. Individual counselling for S.5 & S.6 students to explore future pathways. 4. Sufficient support for students' higher education application. 5. Workplace and higher education encounters and activities for students.
Student Support
<p>Whole School Approach to Catering for Learner Diversity: The Dream Project aims to encourage students to realize their dreams by providing financial assistance and support for their self-initiated projects. Participating students took the initiative to plan and manage their projects under teachers' supervision. Previous contents of their proposal were diverse, including making animation and comics for education, making a movie clip to teach ice-skating, making music to encourage others who were in need and learning a new software to broaden their abilities. All proposals were successfully executed and all students attained a very fruitful experience.</p>
<p>Whole School Approach to Integrated Education: In addition to employing an educational psychologist, our school also hire clinical psychologist to address the diverse learning and emotional needs of our students. In order to provide more comprehensive support tailored to individual needs, along with our existing two social workers, we are also bringing on board one additional social worker and two student counselors. Their roles will focus on supporting our students' learning and personal growth. The school's student support team conducts a variety of group activities, including social groups, executive function training, and expressive arts groups and so on. These activities aim to foster students' skill development and help alleviate the pressures that come with the learning process, creating a more supportive and nurturing environment for all students.</p>
<p>Education Support for Non-Chinese Speaking (NCS) Students: Our school provides additional support for NCS students to facilitate their learning of Chinese: appointing additional teacher(s)/teaching assistant(s) to support NCS students' learning of Chinese; arranging intensive Chinese learning and teaching mode(s), e.g. pull-out learning if necessary, split-class/group learning, etc.; developing school-based Chinese Language curriculum and/or adapting learning and teaching materials; organising activities to create an inclusive learning environment in the school; and hiring additional manpower and/or translation/interpretation services to facilitate the communication with parents of NCS students. Our school is granted with additional funding to provided support for our non-Chinese speaking (NCS) students with special educational needs (SEN).</p>
<p>Measures to Provide Adaptation for Learning and Assessment: For students diagnosed with special learning needs, there will be moderation in tests and exams; examples of measures taken are lengthening of the assessment time, giving short breaks for long papers and exempting students from taking exams in certain subjects.</p>
<p>Fee Remission: Our school offers full school fee remission or 1/2 school fee remission Needy students, including those from families receiving the Comprehensive Social Security Assistance (CSSA) and students receiving financial assistance provided by the Student Finance Office of the Working Family and Student Financial Assistance Agency (WFSFAA), could apply for fee remission.</p> <ul style="list-style-type: none"> - Newly admitted students could apply for the school fee remission 1 week(s) after the commencement of the new school year. Application results will be announced within 1 month(s) after submission of applications. Families with emergent needs may apply even after deadline. - Please visit the web-link in our school's website for details of school fee remission scheme, including the family income limits.

Home-School Co-operation and School Ethos

Home-School Co-operation:

The school has developed a close partnership with parents. The PTA is well established to support parents and the school. The Parent-Teacher Happy Hour is a precious time for teachers and parents to get together regularly.

School Ethos:

Founded on Biblical principles, we endeavour to establish a modest and caring school ethos through the love, guidance and firm discipline of the teachers. In order to take care of the diverse needs of the students, the school has implemented a 'Form teacher and Assistant Form Teacher' partnership system and stationed Educational Psychologist, social workers and student counselors in the school. We also maintain close contact with parents via PTA, Parent-Teacher Happy Hour, S.1 Parents Breakfast with Principal, Parents' Night, Parents' Day and Parent Class. We are dedicated to promoting parents' education. Our school church United Christian Community Church organizes Parents' Class to help equip parents with the skills necessary for parenting their adolescent children.

Future Development

School Development Plan:

1. To enhance learning and teaching through pedagogical integration with digital technologies and AI;
2. To develop proficient, confident biliterate and multilingual learners;
3. To foster students' acquisition of 21st century skills through cross-curricular learning;
4. To cultivate Christ-centred future-ready leaders who embody a vision that encompasses local, national and global perspectives;
5. To enhance students' physical, social and emotional well-being.

Teacher Professional Training and Development:

1. To help teachers reflect on their learning & teaching and student development through conducting action research.
2. To mentor the newly joined teachers and to equip the middle managers.
3. To develop the differentiated appraisal system.

Life-wide Learning (Including Five Essential Learning Experiences to be Provided through Key Learning Areas, Extra-curricular Activities, Co-curricular Activities, etc.)

We have Student Council, four Houses, various clubs and interest groups; we offer different sports teams, instrumental classes, orchestra, choir and Christian fellowship; and we organize a wide range of training camps, visits, services, trips and exchange programs (local, Mainland and overseas) to widen our students' horizons and to nurture their leadership, talents, positive values and sense of responsibility.

School Facilities

Number of Classroom(s): 30

School Facilities:

The Millennium school building consists of 5 standard science laboratories, 2 computer rooms, a STEAM Lab, a StarLab, a well-resourced library, a geography room, a music room and 2 visual arts rooms.

Apart from the hall, the school is equipped with a multipurpose hall named KePLACE, a dance room, a campus TV studio, a football pitch, a full basketball court, 1 climbing walls, a long jump pitch and 3 canteens.

The sustainable Dormitory and Facility Extension Block consists of a swimming pool, 2 gymnasiums, a lecture theatre, a chapel and a student dormitory.
