School Mission

Upholding Buddhist principles, our school is committed to providing holistic education with emphases on virtues and cognitive development for students in a caring and supportive environment. We seek to awaken conscience and nurture civic-mindedness as well as a positive attitude towards life by inculcating moral values in students through Buddhist teachings.

S.1 Admission, Orientation Activities & Healthy School Life

<p>Secondary One Admission</p> <p>Our school will accept discretionary places. Our school will participate in the Secondary School Places Allocation System through central allocation stage (Applicable for admission to S.1 in September 2024).</p> <p>Secondary One (S.1) Discretionary Places Admission Criteria and Weightings:</p> <ol style="list-style-type: none"> 1. EDB's rank order list and Primary 5 and 6 academic results (50%); 2. Conduct, extra-curricular activities, services, awards and comments from primary schools (30%); 3. Interview (20%).
<p>Orientation Activities and Healthy Life</p> <p>S.1 Orientation Activities: S.1 Induction program, seminar for S.1 parents, S.1 Orientation Day and S.1 Education Camp;</p> <ol style="list-style-type: none"> 1. Through a diversity of activities like S.1 Education Camp, S.4 Education Camp, Outstanding Students Development Scheme and volunteer activities, positive values and attitudes are nurtured to serve the community; 2. The 'Health Education Team' is established to formulate policies and implement measures to encourage students to incorporate health messages into their daily lives. Moreover, our school has joined the 'Healthy School Policy' and 'Whole School Health Programme' under the Education Bureau and Department of Health respectively to build up a healthy campus and develop students' good habits.

School Characteristics
School Management
<p>School's Major Concerns:</p> <ol style="list-style-type: none"> 1. To Enhance Students' Sense of National Identity 2. To Nourish Sound Study Habits
<p>School Management Organisation:</p> <p>Under the auspices of the Incorporated Management Committee, our school implements school-based management with the vision of catering for learner diversity. Our ultimate goal is to nurture students with versatility and flexibility to explore their full potential and serve the community. The Administrative Council formulates policies; the Learning and Teaching Committee oversees academic and curriculum matters whilst Moral and Student Affairs Committee is responsible for students' whole-person development and fostering a caring school environment. The self-evaluation culture is firmly established through both internal and external school reviews to enhance the effectiveness of learning and teaching.</p>
<p>Incorporated Management Committee / School Management Committee / Management Committee:</p> <p>The Incorporated Management Committee is geared towards enhancing transparency and accountability via advising the school on daily practices. It is actively involved in encouraging inter-school academic and teaching exchange, mock examination and overseas trips in addition to devising long-term development strategies.</p>
<p>School Green Policy:</p> <p>Upholding the principle of sustainability, the school adopts e-administration process in order to reduce paper consumption and proactively nurtures students to be green citizens with eco-friendly policies in a green school environment.</p>
Learning and Teaching Plan
<p>Whole-school Language Policy:</p> <p>Mainly adopt Chinese as the medium of instruction from S.1 to S.3 while teaching in English is partially introduced in Mathematics, Science, and Geography by modules in school-based curriculum as well as extended learning activities. In S.4 to S.6, some subjects are taught in English.</p>
<p>Learning and Teaching Strategies:</p> <ol style="list-style-type: none"> 1. To create a good learning atmosphere, the following measures are implemented: <ul style="list-style-type: none"> - Set up after-school Progressive Assessment Program in S1 and S2 to follow up closely on students' performance. Establish "Diligence Awards" to reward students with excellent monthly assessment scores. - Set up goal-setting and performance review activities at the beginning and middle of the term, and teach students effective review techniques, allowing them to continue to improve their learning. - Make good use of regular classes and 2 mock examinations for S.6 students to better prepare them for the DSE. - Regularly communicate with parents about the performance of the students. Making use of students' performance data to encourage them to work harder. 2. To improve students' self-study and reflection abilities in the following aspects: <ul style="list-style-type: none"> - Systematic pre-lesson materials are designed for students to help them master the key learning points and enhance their participation in class. - Teach students the skill of jotting notes and integrating them into the learning and teaching process. - Promote professional exchanges and mutual learning through peer observation and evaluation. - Enhance students' ability to extend their learning and research by promoting school-wide interdisciplinary and cross-subject learning. - An array of precisely defined enhancement and remedial classes to enhance students' confidence in learning and motivate them to pursue continuous improvement.
<p>School-based curriculum:</p> <ol style="list-style-type: none"> 1. Electives: 3X, Music, Physical Education, Japanese and Applied Learning (Hospitality Service in Practice/Everyday Japanese and Japanese Culture/Exercise and Fitness Coaching) are on offer. 2. Curriculum highlights: <ol style="list-style-type: none"> (1) Coordinate with the Education Bureau and universities to implement school-based curricula in junior forms aiming at catering for learner diversity and building a solid foundation for senior secondary education; (2) Develop students' diversified talents with ample opportunities and choices, catering for individual learning needs; (3) Streamline students' learning from different Key Learning Areas, with enhanced interdisciplinary collaboration; (4) Cater for diverse learning needs with an array of precisely defined enhancement and remedial classes.
<p>Major Renewed Emphases in the School Curriculum:</p> <ol style="list-style-type: none"> 1. To strengthen Value Education. 2. To promote reading across the curriculum. 3. To promote Integrating and applying knowledge and skills across disciplines. 4. To promote self-directed learning.
<p>Life Planning Education:</p> <ol style="list-style-type: none"> 1. Participate in JAHK network school; 2. Cooperate with the government and non-profit making organizations and organize various talks, workshops and visits including the Airport Authority Civil Aviation Department, TownGas & etc to enrich students' career-related experience; 3. Join Business-school partnership Programme to enhance students' understanding of various fields; 4. Organize Life Planning Day to assist students in setting their goals; 5. Organize Parents' Night to encourage parents' positive involvement in their children's life planning; 6. Incorporate Life Planning elements into the class teacher period in junior forms; 7. Conduct Life Planning lessons for S.1-S.6.
Student Support
<p>Whole School Approach to Catering for Learner Diversity:</p> <ol style="list-style-type: none"> 1. Provide lunch or after-school homework tutoring programs for students with special learning needs in junior secondary schools to build a stronger knowledge base. 2. Regularly review the homework design to more effectively cater for students' learning diversity and enhance students' motivation to complete homework and pursue excellence. 3. Adopt split classes to improve students' learning effectiveness. 4. Nurture students to become excellent students via the "Leadership Training Program" and participate in different leadership training events; 5. Implement Dual Class Teachers Scheme in junior forms to provide better care for students; 6. The Mentor Scheme aims to guide S.1 students to adapt to school life; 7. Subsidy is provided for students to participate in exchange programmes and study tours.
<p>Whole School Approach to Integrated Education:</p> <ol style="list-style-type: none"> 1. SENCO and Student Support Team offer support to students, including curriculum and assessment adaptation, learning strategies and student development; 2. Three social workers organize activities to help students realize their potential and enhance social skills; 3. The educational psychologist, speech therapist and experts give professional advice and support to students and their parents.
<p>Education Support for Non-Chinese Speaking (NCS) Students:</p> <p>Our school provides additional support for NCS students to facilitate their learning of Chinese: organising activities to create an inclusive learning environment in the school. Our School provides additional after-school support for non-Chinese speaking students to facilitate their learning of Chinese.</p>
<p>Measures to provide adaptation for learning and assessment:</p> <p>2 examinations and 2 uniform tests are arranged for students from S.1 to S.4 while mock test (S.6) and mock examinations (S.5 & S.6) are arranged for S.5 and S.6 students. Continuous assessment like classwork, homework, quizzes and projects is adopted in non-academic subjects in S.1-S.3.</p>

Home-School Co-operation and School Ethos
Home-School Co-operation: The Parent-Teacher Association facilitates cooperation between parents and the school. Outstanding Students Awards are established to motivate students to strive for academic excellence. School Uniform Recycling Scheme, textbooks recycling, seminar for Parents of S.1 students, Parents' Night, interest groups, outings and seminars are organised.
School Ethos: The school aspires to create an ideal learning environment for our students. Our balanced approach to discipline and care has enabled students to study in a caring and supportive environment which facilitates their healthy growth. The effort of our school has been widely recognised by parents, students and the community. In general, our students are well-mannered, eager to learn, sociable and well-disciplined. They enjoy school life, love the school and feel proud to be a BLCWC student.
Future Development
School Development Plan: 1. Promote positive value, and unleash students' potential; 2. Sustained inculcation of students' self-directed learning competencies.
Teacher Professional Training and Development: The Staff Development Team has devised programmes to facilitate sharing among teachers and promote educational research. Collaboration with the Education Bureau and universities enhances our professional development. The culture of peer observation, collaborative lesson preparation, coursework evaluation and teaching evaluation has firmly taken root to enhance learning and teaching quality.
Life-wide Learning (including Five Essential Learning Experiences to be provided through Key Learning Areas, extra-curricular activities, co-curricular activities, etc.)
1. Life-wide learning for the five essential learning experiences including intellectual development, physical and aesthetic development, value education, community service and career-related experience; 2. Inter-disciplinary learning programmes including project learning day, training, visits, field trips, competitions, camps and study tours; 3. More than 40 clubs and school teams to develop and stretch students' all-rounded potentials; 4. Focus on the Student Leadership Development Program, to enhance students' sense of responsibility and belonging.
School Facilities
Number of Classroom(s): 27
School Facilities: All classrooms, special rooms, the School Hall and the covered playground are equipped with air-conditioning and multi-media facilities. Other facilities include an Innovative Technology Centre, Meditation Room, English Activity Room, Chinese Culture Room, Campus TV Studio, School Library with self-study booths, Student Activity Centre, school playground and multi-purpose room. The covered playground is open in the evening for students' self-study purposes.
Facility(ies) for Supporting Students with Special Educational Needs: Accessible lift and Accessible toilet.
Others
1. Since 1994, more than 806 students have been enrolled in bachelor's degree courses through JUPAS; 2. The academic level of our school is widely recognised by linked tertiary institutions and universities in China, Taiwan, the United Kingdom and Australia. Graduates of our school are admitted to their academic programmes based on their internal exam results, allowing our students a wider variety of choices for further studies.; 3. The school presents a variety of scholarships such as the Danny HO Memorial Scholarships, the Great Venerable Kok Kwong Memorial Scholarship etc. to recognise outstanding students.
