School Mission

The school is committed to providing high-quality education to enhance students' biliteracy and trilingualism, to develop students' higher-order thinking skills, and to foster students' multi-intelligence. As a caring community, the school values and promotes the growth of the whole person so as to enable each student to become a responsible citizen and make a positive contribution to the local and global community. The school motto of Love, Respect, Diligence and Honesty embodies the school ethos.

Po Leung Kuk Tong Nai Kan Junior Secondary College

School Characteristics
School Management
<p>School's Major Concerns:</p> <ol style="list-style-type: none"> 1. Optimize School-Based Curriculum. 2. Improve students' academic performance and whole-person development, and broaden students' horizons. 3. Strengthen student morality. To enable students to be informed and responsible citizens with a sense of national and global identity, appreciation of positive values and attitudes as well as Chinese culture, and respect for pluralism in society. 4. Maximize the use of information technology to enhance the efficiency of teaching and learning.
<p>School Management Organisation:</p> <p>Our school has been carrying out School-based management since 2001. Apart from the rigorous management, the school has also paid great attention to the communication amongst the staff and is accountable to all the stakeholders. At the same time, the school management structure is clear. The Administrative and Functional Committee makes a concerted effort to carry out the school goals. Along with forming a "through-train" school with the Po Leung Kuk Vicwood K.T. Chong Sixth Form College, the two schools have established a joint-school organization so that the schools can cooperate closely.</p>
<p>Incorporated Management Committee / School Management Committee / Management Committee:</p> <p>The Incorporated Management Committee has been well established.</p>
<p>School Green Policy:</p> <p>Moral, Civic and National Education Committee conducts various activities and carries out different measures every year, which aims at rearing students the idea of treasuring the resources and cherishing the Earth, enhancing their concern for the society and promoting their sense of responsibility towards the society and the Earth.</p>
Learning and Teaching Plan
<p>Whole-school Language Policy:</p> <p>To better cultivate students' English ability in the school, all subjects except Chi. Language, Chi. Hist., Social & Cultural Studies and PE are taught in Eng. and will have extended learning activities conducted in Eng. In our monthly Eng. weeks, all teachers will communicate with students in Eng. in order to build an English-rich environment. PTH activities are also held during morning assemblies to enhance the atmosphere of communication in Putonghua.</p>
<p>Learning and Teaching Strategies:</p> <p>Most subjects in our school, including Mathematics, Integrated STEM-Science, Integrated STEM-Physics, Integrated STEM-Chemistry, Integrated STEM-Biology, Integrated STEM-Information and Technology Studies, Integrated STEM-Living Technology, Integrated STEM-Design & Technology, Integrated Humanities-Geography, Integrated Humanities-History, Integrated Humanities-Finance & Accounting, Integrated Humanities-Economics, Integrated Arts-Music and Integrated Arts-Visual Arts are conducted in English and Extended English activities. All teaching materials, classwork, tests and examinations are written in English.</p>
<p>School-based curriculum:</p> <ol style="list-style-type: none"> 1. Electives: 2X and 3X. Please refer to the SFC website. https://www.sfc-plk.edu.hk/content/academic-curriculum 2. Curriculum highlights: Junior Secondary Curriculum highlights: The "MAKER curriculum" is designed for students to develop their mathematical modelling skills, Analytical skills, Knowledge management skills, Entrepreneurship and Research Skills through interdisciplinary collaboration.
<p>Major Renewed Emphases in the School Curriculum:</p> <ol style="list-style-type: none"> 1. Full Implementation of I.T. Teaching: Introducing the use of Keynote and AR learning materials in most of the subjects. Our school will pilot a school-based AI app to assist students with targeted training on different question types. The school has implemented BYOD and students bring their device to use in class. Teachers are well-equipped with IT techniques and are able to use the technology on teaching skillfully, and hence, students' motivation and the efficiency in learning are greatly improved. 2. Implementation of Flipped Classroom: By using educational learning platforms, the school strives to implement Flipped Classroom in all forms. Various learning information and course materials will be uploaded by the subject teachers before lessons. In order to cultivate the habit of Self-directed Learning, students are assigned to complete the pre-tasks and self-study materials before their lessons. 3. Implementation of STEM education: In line with the educational development in Hong Kong, the school has devoted to developing STEM education. Apart from the interdisciplinary MAKER courses, the school also develops a biotechnology curriculum in the Science Department; the Living Technology Department develops food technology and nutrition courses; the Information Technology Studies Department develops an AIoT and Block Chain curriculum; The Design & Technology Department develops a Smart Home curriculum and optimizes the Robot curriculum. 4. Moral, Civic and National Education: The MCNEC aims at facilitating students' moral growth to instill the right values into students, helping students develop the right attitude towards social affairs, strengthening their due responsibility as citizens of Hong Kong, developing students' understanding of our home country and raising their awareness and concern to the nation. 5. Gifted Education: In accordance with EDB's 3-Tier Implementation Model for Gifted Education, all subjects infuse gifted education elements in the regular lessons and pull-out programmes to cater for the needs for gifted/ more able students.
<p>Life Planning Education:</p> <p>Life Planning Education: The Careers Guidance Committee aims to help students have more insight in their career aspirations and development so as to make wise choices in their studies and career pathways. A whole-school life planning education program will be provided to students. A variety of life planning seminars, workshops, visits, job simulations and aptitude tests will be implemented to help students examine their interests and abilities, recognize their strengths, arouse their curiosity towards learning and working, enhance their capacity in planning and decision making.</p>
Student Support
<p>Whole School Approach to Catering for Learner Diversity:</p> <p>The employment of additional teachers in Chi. and Eng. has been funded by the Learning Support Grant. A small class policy in some subjects is adopted for students with particular needs in order to provide better care and give more support to students. A series of elite and remedial courses such as the courses for Form Three Graduation Examinations and remedial lessons are being conducted by our own teachers. The pull-out enhancement courses including Chin. Speech Training, Eng. Speech Training, Maths. Olympiad and Science Olympiad are provided to cater to students with different needs and abilities.</p>
<p>Whole School Approach to Integrated Education:</p> <p>Members of the Learning Support Team include: Vice Principal, Associate Principal (SENCO), Academic Master, Chinese Language Support Teachers, English Language Support Teachers, Discipline and Guidance Teachers, School Social Workers and Educational Psychologist.</p> <p>Through the whole-school approach, homework modification, assessment accommodation and individual educational plans are given to students under the advice of professionals. Students' learning progress is evaluated at regular form meetings. Apart from regular meetings, the Learning Support Team organizes different workshops and school talks each year.</p> <p>Under the Learning Support Grant, two teachers, a teacher assistant and speech therapist are hired to help enable an effective arrangement of learning support both inside and outside classroom.</p>
<p>Education Support for Non-Chinese Speaking (NCS) Students:</p> <p>Our school provides additional support for NCS students to facilitate their learning of Chinese: providing after-school support programmes in learning Chinese; appointing additional teacher(s)/teaching assistant(s) to support NCS students' learning of Chinese; arranging intensive Chinese learning and teaching mode(s), e.g. pull-out learning if necessary, split-class/group learning, etc.; developing school-based Chinese Language curriculum and/or adapting learning and teaching materials; and organising activities to create an inclusive learning environment in the school. We provide School-based Chi. and C.Hist. curriculum, for which a different set of assessment papers are provided. They are not required to take PTH lessons, instead, they will have Chi. lessons. EMI arrangement is in place for NCS in SCS. Everyday at lunch and after school, the library provides reading sessions to encourage them to learn Chinese.</p>
<p>Measures to provide adaptation for learning and assessment:</p> <p>Discipline & Guidance Committee and Academic Committee members will take care of students with special needs. Corresponding adjustment is adopted in course work, assessment and classroom management. The special arrangements in uniform tests and examinations include text magnification in test papers and time extension.</p>

Home-School Co-operation and School Ethos
<p>Home-School Co-operation:</p> <p>The school maintains good communication with parents and the parent-teacher association in the following ways:</p> <ol style="list-style-type: none"> 1. Parents' Days, talks and tea-time gathering are held twice a year 2. A Parent-Teacher Association Newsletter is published twice a year 3. Various kinds of activities are held by the Parent-Teacher Association 4. Parents Volunteer Team 5. Parent-Teacher Association 'Significant Progress Award' 6. Our Parent-Teacher Association was honorably awarded the "Outstanding Parent Teacher Association Award" by the Federation of Parent-Teacher Associations Sham Shui Po District Limited.
<p>School Ethos:</p> <p>The school has a pure and honest spirit. Coupled with the emphasis on discipline and counseling, it is believed students will be endowed with morals and virtues. To promote students' self-disciplinary spirit, various program, activities for school uniform teams and voluntary services are carried out. The Discipline and Guidance Committee works closely with the social workers to help students develop positive values and manners. To provide care and guidance to students, a system of dual class teachers is in place. Students also enjoy the mentoring program, lunch at school and activities after school. Our school was honorably awarded the Honor Award in '2022 Caring School Award Scheme'.</p>
Future Development
<p>School Development Plan:</p> <ol style="list-style-type: none"> 1. Optimize School-Based Curriculum; 2. Improve students' academic performance and whole-person development, and broaden students' horizons; 3. Strengthen student morality. To enable students to be informed and responsible citizens with a sense of national and global identity, appreciation of positive values and attitudes as well as Chinese culture, and respect for pluralism in society; 4. Maximize the use of information technology to enhance the efficiency of teaching and learning.
<p>Teacher Professional Training and Development:</p> <p>We place much emphasis in teachers' professional development. Joint-school professional development activities are regularly organized with Vicwood K.T. Chong Sixth Form College in order to enhance the communication between the two schools. Professional Learning Circles are established to foster professional exchange among peers, with an aim to enhance the effectiveness of e-Learning and whole-class gifted education initiatives. Connections have been formed with a key high school in our motherland China, where sharing sessions among the sister schools are conducted to enhance the quality of teaching. Class observations are conducted by the principal, subject department heads and among colleagues and teachers of other schools to enhance the quality of teaching.</p>
<p>Life-wide Learning (Including Five Essential Learning Experiences to be provided through Key Learning Areas, extra-curricular activities, co-curricular activities, etc.)</p> <ol style="list-style-type: none"> 1. The 'One Student One Art/Sport' program provides a variety of extra-curricular activities and learning experiences for students. The activities include different academic school teams, sports school teams, music school teams, performing arts school teams, uniform and services groups, academic clubs and interest classes such as Japanese class, Korean class, Spanish class, Magic class, Aerial Photography Class, K-PoP Class, Fencing class etc. 2. Exchange program are held during school holidays. 3. Cooperation with Po Leung Kuk Vicwood K.T. Chong Sixth Form College in different kinds of activities covers some ball games competitions, outings activities, etc. 4. Innovative Maker Fortnights are held and co-operated by all subjects with cross-curriculum elements. 5. Innovative Maker Fortnights are held and co-operated by all subjects with cross-curriculum elements. 6. Creativity Development Programme.
