<p><b>Major Renewed Emphases in the School Curriculum:</b></p> <ol style="list-style-type: none"> <li>1. Reading: Reading Session after lunch time is built in. Through theme-based Reading Across the Curriculum programme, online reading scheme, weekly newspaper reading &amp; book sharing, students are encouraged to read extensively.</li> <li>2. Projects: With cross-curricular projects &amp; overseas study tours, students' generic skills are developed &amp; horizons broadened.</li> <li>3. Moral and civic values: To nurture our students to be caring &amp; upright, we organise school assemblies, form period, life planning course &amp; national security activities. Social service &amp; exchange tours can further heighten students' awareness of community &amp; society.</li> <li>4. Information Technology: Students make use of online self-directed learning platform to consolidate learning. Online English exercises, STEAM Room, interactive e-classroom &amp; multimedia learning platforms (Google Classroom, OQB, AQP) are provided to enhance students' listening, speaking &amp; self-learning abilities.</li> </ol>
<p><b>Life Planning Education:</b></p> <p>A school-based curriculum has been devised to implement life-planning education in a comprehensive manner. The school is dedicated to encouraging students to concretely plan &amp; prepare for future careers. Through exploring their own individualities &amp; the real-world work-settings, students are better equipped with the necessary skills &amp; values for future challenges in the workplace.</p>
<b>Student Support</b>
<p><b>Whole School Approach to Catering for Learner Diversity:</b></p> <p>For student development, two class teachers are deployed for each S1-S6 class. Form meetings are convened to provide pastoral care and support to students. We also organise a wide array of activities for students in need through funding projects. To cater for learner diversity, S4-S6 students are streamed into smaller groups for Chinese, English &amp; Mathematics. Various learning support measures such as Social Skills Classes, Reading and Writing Classes &amp; Peer Support Groups have been adopted to support students with diverse needs.</p>
<p><b>Whole School Approach to Integrated Education:</b></p> <p>Inclusive Education is carried out in a whole school approach. The Student Support Committee comprises Vice Principal, Guidance teachers, SEN coordinator, teaching assistants &amp; social workers. The school also works closely with EDB &amp; the Educational Psychologist to conduct periodic assessments. Parents are invited to meetings to work out an individual education plan for their children, evaluate the effectiveness of such plans, &amp; learn skills that can help &amp; guide their children holistically.</p> <p>The school uses the Learning Support Grant &amp; Grant for Supporting Non-Chinese Speaking Students with Special Educational Needs to hire services such as speech therapy, social skills training, after-school support &amp; hiring qualified personnel specializing in support for SEN students.</p>
<p><b>Education Support for Non-Chinese Speaking (NCS) Students:</b></p> <p>Our school provides additional support for NCS students to facilitate their learning of Chinese: providing after-school support programmes in learning Chinese; appointing additional teacher(s)/teaching assistant(s) to support NCS students' learning of Chinese; arranging intensive Chinese learning and teaching mode(s), e.g. pull-out learning if necessary, split-class/group learning, etc.; and organising activities to create an inclusive learning environment in the school.</p>
<p><b>Measures to Provide Adaptation for Learning and Assessment:</b></p> <p>There are Uniform Test Week in each term, Mid-year and Final Examination in a school year to enhance learning through assessments. For school-based continuous assessment in junior forms, coursework, assignments, class performance, project work &amp; a wide variety of assignments are included.</p>

<b>Home-School Co-operation and School Ethos</b>
<b>Home-School Co-operation:</b> The Parent-Teacher Association (PTA) actively organizes various school activities to promote cooperation between parents & the school. These activities include regular parent seminars & parent-child events. Since July 2006, the establishment of parent manager participates in school management & decision-making. The school aims to establish a transparent school-based management governance framework, involving the participation of different stakeholders. Additionally, class teachers regularly contact parents to enhance communication & collaboration.
<b>School Ethos:</b> Our school stresses self-discipline and a simple way of life. School social workers work closely with the Guidance Committee to help students adapt to school life & enhance personal growth and confidence. Through school assemblies, class teacher periods, theme talks & various award schemes, values formation & other developmental programmes, students are supported with love & care.
<b>Future Development</b>
<b>School Development Plan:</b> We are determined to strive for students' excellence in academic pursuits, widen students' exposures to unlock their full potentials, and bring positive impacts to our community.
<b>Teacher Professional Training and Development:</b> Professional Development Days for teachers are held three times every year. The focus is to enhance learning and teaching efficacy. Teachers are encouraged to attend training courses organised by EDB & other institutions. Learning circles are established by professional sharing & collaborative lesson planning. School-based training workshops like using apps & IT platforms are organised regularly & when needed.
<b>Life-wide Learning (Including Five Essential Learning Experiences to be Provided through Key Learning Areas, Extra-curricular Activities, Co-curricular Activities, etc.)</b>
Students are fully exposed to other learning activities outside classrooms. The school offers different opportunities to students, with an inclusion of community services, activities, learning weeks, workshops, field trips & study tours to widen students' scope of experience. Many activities are organised by Student Association, Four Houses, 39 ECA clubs & service teams. Students also take part in Life-wide Learning Day, Business-School Partnership Programme (BSPP), Mainland & overseas exchange tours, community & museum visit or flag-selling activities. These activities play a vital part in students' lives and learning. Among them, fencing team, girls' volleyball, girl guides, school band, STEAM Club as well as Campus TV Club are the ones of many great things.
